“ I love and miss you so very much. I am so happy that we reconnected and you visited me a few times before my illness and several times after my long hospitalization. You and I talked at least weekly at least. You were there for me and I had the privilege to be there for you all the way till the end. We will see each other again soon I love you give mom and dad a hug and kiss for me.

*It was always a pleasure to talk with neighbor Bill whenever Paula and I were spending time at our home next door to Bill. We met for the first time in the middle of the soybean field that separated our homes We would always wave and shout hellos back and forth across the field or meet in one our yards for talks. He was quick to help me when he saw me working around the house. He invited Paula and I to his church in Rivervale and he greeted us with a welcome and smile when we showed up for service. We will miss seeing neighbor Bill, but know that he was ready to meet Jesus face to face.*
