

Mr. Billy Gene Wilson

July 30, 1975 - June 18, 2021

Billy Gene Wilson, 45, of Swifton, passed away on June 18, 2021. He passed away in his home in Swifton due to long standing health conditions.

Billy was born in Jonesboro to William Patrick Wilson and Emmie Lourie Wilson. He grew up in Alicia with his brother William Robert and his sister Patty Lourie, spending his time playing football and wrestling with his childhood friends. After graduating from Jonesboro High School in 1992, he worked at Warehouse Foods, Price Chopper, and Walmart for many years before his health made it so that he couldn't work anymore. During that time he also served in ministry under his pastor Joey Ethridge at New Life Assembly in Jonesboro.

In his 20s he met Jamie Ann Murray. They fell in love after meeting through mutual friends. Within two years they had started a family with their first child Autumn Dawn. The family would be completed with the births of four more girls: Kimberly Paige, Heather Lourie, Summer Chyann, and Audreyanna Nicole. He loved all his children and made sure they knew that every time they were together.

In addition to his partner Jamie Ann Wilson and five children Autumn Dawn Wilson, Kimberly Paige Wilson, Heather Lourie Wilson, Summer Chyann Wilson, and Audreyanna Nicole Wilson, Billy is survived by his father William Patrick Wilson (partner Crystal Wilson) and his siblings Patty Lourie Stephenson and William Robert Wilson. He was preceded in passing by his mother Emmie Lourie Pankey.

The memorial service will be held at the Pentecostals of Lake City (307 Cobean Blvd) on July 9th at 6:00 PM. There will be a meal at the same location after the service for all friends and family in attendance. His family will be present to welcome loved ones.
