“ *When I first met Chris after him and my cousin Talisa got married, upon her introducing me to him, he hugged me like a long lost friend! Like he had known me all of my life! He opened up his home to me and made me feel so welcomed. Chris has a heart of gold, he was a very caring and sweet person! I know he will be greatly missed by so many people that was blessed to have known him. Rest In Peace dear cousin....*
