“ I was saddened to read of Dan’s death. He was a dear friend of my parents when he lived in Pine Bluff and went to Carr Memorial Methodist Church. He was always so kind to me and my family as well. Much sympathy to his family.

“ Brother Dan and I shared our love of our Lord and Savior together in Kairos prison ministry for many years. Brother Dan loved to encourage inmates to live a different life of joy and peace with Jesus.
Brother Dan would give you the shirt off his back if he thought it would help you down life’s road.
His last words to me on the morning of his going home was that he wanted to go home to Jesus.
We talked on the phone almost every day and I miss those talks about politics, health problems but most of all about our desire to live for God in this troubled world. I miss my Brother in Christ but I told him the day he went to Heaven I would look for him by the Crystal river of life that flows from the Throne of God. Amen
