

Mr. Donald "JD" Herbert Henderson

September 5, 1956 - August 11, 2019

Donald Herbert Henderson better known as "JD" died unexpectedly on August 11, 2019 in Blytheville. Our hearts are breaking today as we realize the depth of our loss. JD was bigger than life, smart, bold, opinionated, controversial, outgoing, wild, and full of laughter. He never met a stranger and never forgot a face.

JD was born on September 5, 1956 in Altoona, Pennsylvania to David and Gladys Henderson. In 1978 his employer Western Geophysical brought him to Arkansas for oil field exploration. In 1979 at a Charlie Daniels concert he spotted this beautiful red head that would change his life forever.

In June of 1980 he married his best friend and love of his life, Sharal Storey Henderson. Passionate, loving, proud, and forthright, JD was a husband, daddy, papaw, son, brother, uncle, nephew, and a friend to many. In February of 2017 JD gave his heart to the Lord at No Fences Cowboy Church of Morgan County in Faulkville, Alabama.

In 2003 JD began his career with Nucor as a Caster Mechanic in Decatur, Alabama and in April of this year transferred to Nucor Steel Arkansas as a Cold Mill 2 Mechanic.

JD was one of a kind – a big-hearted man who loved hunting, fishing, Nascar at Talladega, his collection of Harleys and Alabama football....Roll Tide! Above all of that he cherished and adored his family. When his girls were young Jessica and Elizabeth would get excited for Dads driving lessons every Sunday, they hit the gravel roads. He was always excited about the family camping on Spring River. One lasting memory everyone recalls was when he couldn't get the campfire going fast enough for the girls, he poured a little gasoline on it. The initial explosion not only echoed through the hills it burned all the hair off JD's legs leaving him to sit by the fire with his legs in a cooler of ice water all night. One thing for certain dad always made sure we explored and had a great time. As Papaw he loved cheering on Drake and Brody while they played their sports and Gabe and Marlie while showing steers at the livestock shows.

JD was preceded in death by his father David Henderson and sister Linda Henderson Rahm.

He is survived by his wife Sharal Henderson of Cherokee Village; two daughters Jessica Henderson Morris (David Joe) of Manila, Arkansas and Elizabeth Henderson Thornley (Neil) of Buffalo, Texas; his mother Gladys Henderson of Bedford, PA; Six grandchildren Tristan Thornley Brewer, Bryce Thornley, Gabe McLemore, and Marlie Thornley all of Buffalo, Texas, Drake Morris and Brody Morris both of Manila, Arkansas; one brother Galen Henderson (Tina) of Bedford, PA; three sisters Sally Henderson Peck of Hollidaysburg, PA, Debbie (Dennis) Smolen of Butler, PA, Lisa (Doug) Tapager of Butler, PA; A very special aunt Beverly Henderson Dibert of Hollidaysburg, PA; Mother-in-law Trula Stanfill Ball (Bill) of Cherokee Village, Arkansas; along with a host of nieces, nephews, cousins, & friends.

A Celebration of Life will be held on Friday at Howards Funeral Chapel in Manila with visitation beginning at 2pm and service at 3pm.

The family would like to say a special thank you to JD's Nucor family. You are amazing and we truly appreciate your thoughtfulness and friendship.

“ I worked at Nucor with JD for around 15 years. I have fond memories of working on down days together and just having a cup of coffee when he came in. He would always start he day by saying "Good Morning" to the crew that was on night shift. We would always joke that we were in The Old Guys Club together. We talked about the good old days at the caster and our grandchildren. He will surely be missed.

“ I worked with JD at Nucor Decatur. We had Dale Carnegie and some other Nucor classes together. He was always so kind, polite and friendly. I work in Sales so we didn't see each other often but when we did, he always said hello and we chatted for a bit. The last time I talked to JD was right before he left Decatur for Hickman. I ran into him at the cafeteria and he bought my lunch that day. He was just that awesome. We chatted a little about his move to Arkansas and he was telling me about his wonderful wife. JD was such a kind and warm soul. He will be missed so much.

“ JD will be greatly missed. I will cherish the memories of working many years with JD. I will never forget how JD and Mrs. Sharal let me stay at their house when we worked long hours during mill outages since my house was much further from the mill. They treated me like family. There was never a dull moment with JD. Whether we were having a tough day or an easy day JD was always upbeat, optimistic and good for a funny story. He was a friend to me and everyone he worked with.

I worked with him for 15 years and considered him a good friend. You could always count on him for a smile. It didn't matter what kind of day I was having he could make me laugh. When he left Decatur he wouldn't tell me bye because he said he knew he would see me again even if they had to drag me to Arkansas for a visit! One of the reasons I loved him was because he didn't have a filter and he didn't give a rip what anyone thought! I don't have much of a filter so a lot of my thoughts came out of his mouth. He was a very special man and I'm better for having known him. RIP my friend
