

Mr. Gary Wayne Stout

September 29, 1954 - December 12, 2021

His golden heart stopped beating because God knew his fight had been won. The Sailor's Creed states, "I represent the fighting spirit of the Navy and those who have gone before me..." Gary served his country, its people, his family, and community, with courage, honor, and pride. The Navy Chiefs Creed states, "...you have joined an exclusive Fellowship and as in all Fellowships, you have a special responsibility to your comrades..." Gary took this responsibility to heart. He stayed strong and straight until it was time for him to give up the watch. His Family and Friends were with him to say Fair Winds and Following Seas as Chief departed this realm to now serve at the right hand of the Father.

Gary Wayne Stout, 67, of Jonesboro died Sunday, Dec. 12, 2021, in Jonesboro from esophageal cancer the second time around. Born in Fenton, Michigan. Gary was a U.S. Navy veteran of the Vietnam War.

“ Gary was a great man, not only a fellow sailor, but a wonderful father and grandfather. He stepped in and did alot for my daughter when I couldn't be there for her and I will never forget all he did for her and all his grandchildren. May he rest in peace on his final voyage and save a place for me, so we can again have another walk and conversation that I always enjoyed in the past. God bless.

“ Chief Gary was a leader who truly cared about his troops. I learned a lot about leadership from Gary, while equally considering him and Cherri to be dear friends. Proud to have served with you shipmate.

“ I only knew Gary and Cheryl for a short amount of time but in that time they made me feel like I had grandparents close to me as I had just moved to AR. Gary absolutely loved giving my dog Atlas treats every time we would walk over and see them 🐶 Atlas recently passed away and I just know Gary is giving him lots of treats and love up there. Prayers and thoughts for these wonderful people.

“ Gary was a man of many great traits but the best one was his kind heart ! I was only part of the family for a short time while married to Mike but I'll never forget how kind he treated me even though he never let me or Mike forget how young I was ! He loved us all and he put his family first above all else! He treated Cherri like the queen she is ! Her sons Mike and Ricky where his own! I felt like part of the family always ! You could not ask for more welcoming and kind hearted people! My heart goes out to Mike and Cherri ! I may not be married to Mike anymore but we do share a handsome 19 year old son Korey who sure loves his his family! I hope you all know I love you all deeply and I am here for you ! Gary Rest In Peace and know Cherri has lots of love and support here for her! You will be missed ! Always in my heart! Love megan !
