*Donna.... I always thought your mom was so pretty. And your dad, I remember him as Perci....
I just saw this on fb. I will be praying for you and your family; now and in the coming days. The hole their physical presence leaves is huge!
The ones who have passed on before us... they got new bodies and no pain. I'm envious of them. I always wish I could be a fly on the wall just to see what
They are all doing, seeing and experiencing! And having a body that works like it's suppose to. Praying God will wrap his arms of comfort around you and give you peace. Encouraging you to remember the good times.... the laughter that
Some times brought. Hugs to you old friend.
Sincerely,
Susan Wright Wallace*
