“ I've known Johnny the past 12 years, we both loved the flea market business. He was great at finding unique antiques and collectibles. We had fun trying to buy from each other and haggling on the price. He was a good person and obviously loved the Lord. I will miss seeing you my friend.

“ Johnny and I were in the same art class. I never learned much about art, but we sure had fun in class. Johnny was one of a kind, and will be missed by all that knew him.
