“ Heaven gained a precious angel! I have so many special memories that I have of you and the family. One of the many... Sitting in the swing, trees all around us with sweet tea in our hands, smelling dinner on the big BBQ, listening to all the little ones running around. Oh, we can't forget about the chickens too! A watermelon would be in the ground, covered up to have after dinner... To this day, I don't know why we did that, but I do remember. Smiling here ...

I have and always admired your strength! I know of no one that has gone through what you have gone through in your life time. You were the heart of the family!

I want you, the family, and friends to know that you hold a special place in my heart! Oh my gosh, you were one of a kind! I love you, and I will cherish every memory that I had with you and the family.

You will be forever missed! May you rest in peace, surrounded by your family in heaven...

I love you... ❤️ Rhonda

“ Mrs. Hopper. You look the same, although I doubt you would have remembered me. Your family lived down the street from me when you lived on Franklin Street. I always had a crush on Susie and hung around with Donnie some too. I even knew Chester... You've had such a tragic experience with some of your children, but you kept going. I hope you are reuniting with them now. May peace be with YOU and your family for all eternity. God Bless.

ima tootsie we will all forever lost I know your at peace now an n loved children and of course my r!!!

Yesterday we said goodbye to my sweet Grandma Tootsie. She was one of the strongest and bravest woman I know. She experienced more tragedy in her life than any person should ever have to, but she never let it stop her or get her down. She was the most outgoing person with such a positive outlook on life, and everyone that knew her loved her. We have so many memories that I will treasure forever. And I am so grateful that we had so much time with her and that she was able to be such a big part of Parker's life. They adored one another so much. She will forever be missed. We love you Grandma and we will all be
