“ There's lots of memories to share about my brother Michael. But I guess the one that I cherish the most is when he came all the way to Washington to visit when none of my other family did except Tammy. I got some funny pictures of them and I'm going to put one of them on here only because it makes me laugh when I see it and I'm sure it will y'all too. I miss you Michael I love you and I hope you rest in peace
