Mitchell Leon McQuay passed from this life on May 21, 2023. He was the 2nd of 5 children born to Kenneth and Martha McQuay on March 26, 1961.

He was a contractor most of his life. Mitchell loved to fish and tell fishing stories. He also cherished his time spent with his mother watching the St. Louis Cardinals.

Mitchell was a five year survivor of a double transplant, liver and kidney. In that five years he was able to meet all except one of his great grandchildren. He was so proud to be able to see some of his grandchildren graduate. Mitchell was such a kind and warm hearted man who would help anyone and offer you some food on top of that. He had many friends and friends that he considered family to him. We know our dad was a dad to a lot of people. He will truly be missed.

As the end was He would say "Well I had a good run"
