Paddy Lynn Mercier

March 26, 1946 – March 24, 2016

Paddy Lynn Mercier 69, of Milwaukee, Wisconsin Born March 26, 1946 Graduated her days here with us on March 24, 2016. I say graduated because she always spoke of our passing as our graduation day. Paddy leaves behind a whole list of family and friends who loved her dearly. Her husband of 30 years Joseph Mercier; Sons Shannon Harper and Timothy Campbell; Daughters Faith Campbell and Katie Summitt; Grandchildren Amanda Wise, Cian Campbell, Eamon Campbell, Hope Summitt, Amy Summitt and Destiny Thomas; Great Grandchildren Adam Wise, Derek Wise, and Lucy Wise.

Paddy was a woman of many traits. She had accomplished so much in her life span. She was an author, artist, chef, mentor, wife and amazing mother.

Humor was a big part of who Paddy was. She always had a way to make people laugh.

Her family meant everything to her. Paddy was always there for those who needed her. Always had our best interest at heart and always spoke the truth regardless if it might upset us. She always encouraged us to follow our dreams, even when we didn't believe in ourselves.

Paddy always taught us to be strong in our faith and to always trust GOD no matter what. She taught us that in every situation to pray about it. That no prayer went unheard. To always put GOD first and to always let our light shine. She would remind us that we couldn't pray and worry at the same time. That everything happens in Gods time not ours. Her faith was a big part of who she was and it over-flowed into each and every one of us.

Paddy touched the hearts of so many and she will forever remain in our hearts.

“ After not being in touch for some period of time, I was surprised to see Paddy walk into the restaurant I was managing. We went on to have lunch, and some catch up time. I don't remember why she was passing through Illinois.

Paddy and I were friends in kaneva and facebook, our time as friends was far too short. Paddy was such a joy to know, always bubbly , happy, smiling, drama free and at peace within herself. She loved building and making friends on kaneva, loved music too. But more than anything Paddy loves her family, she spoke of you all so often, you were the joys in her life. Paddy left us far too soon but will be remembered for years and years to come, she touched my heart. My condolences to you her family and friends, may God keep you in his loving care, give you strength and courage to carry on as Paddy would want you to do and may you always find comfort in the memories of times shared with Paddy and yourselves. Dance with the angels , dear Paddy...until we meet again...you are loved.
