Aunt Pat I am so glad you are no longer on any pain. You were always so proud of your family: KrisStacey and Donna and all those grandchildren. I remember how you would always be so excited to tell us about the basketball games and all the things you and your family did. You loved your sister in law , Leah (Richardson) Harper so very much!! You meant the world to Uncle David and you always will. I thank you for all your love when we were growing up. You showed us some much love and we had some really fun times. I sure you and Momma and Daddy are chatting up a storm up in Heaven now. Love ya Aunt Pat

*Patsy was the most faithful Christian lady I know. I have so many wonderful memories of her but my best memory of her is her beautiful smile. I love you Pat.*
