“ Patrick and I were BEST of friends all through the school years in Erwin Twsp, Upper Mich for elementary and L L Wright H.S in Ironwood Mich. with the class of 1970. We shared a lot of stories and laughs. After H S we lost contact and went on with our lives. It was only about 3 yrs ago that we were able to connect again via face book.  
Only recently I had found out about his passing....its hard to lose a best friend !!!  
Hope u can keep his legacy alive via farming and the simple things in life.

“ I was so sorry to hear of Pat's passing. We were friends and neighbors fifty plus years ago in Erwin Township Michigan and connected all these years later via Facebook. He was always such a good friend and always kind. He invited me down to visit anytime he said and that was typical of the young kid I knew a half century ago. Sadly I didn't take him up on it before he passed. My deepest sympathy to Pat's family and friends. He is missed.
