“ I cant remember a time that I didn't know Phyllis. We grew up together. I'm blessed and honored to call her friend, but even more Sisters in Christ. The Class of 1972 lost a jewel but I am so thankful Phyllis is at home with Jesus. To her precious family, prayers and sweet memories until you meet again.

“ My dear friend has physically left us behind but spiritually will always be with us. I love her and will miss her so much. We were friends for many years and were close throughout that time. She was one of the best friends I will ever have and so kind to everybody she met. If all people were more like Phyllis what a wonderful earth this would be. She was an inspiration to all that knew her. Rest in Peace Phyllis
