“ Dear Cannon Family

I am truly sorry for the loss of your dear Teresa. May the memories you all shared with her fill your hearts with joy. I wanted to share a comforting promise from God's word that I hope could bring you comfort during this difficult time. Isaiah 25:8 "He will swallow up death forever, And the Sovereign Lord Jehovah will wipe away the tears from all faces." God also promises to reunite you all with your dear loved one to a beautiful paradise free from suffering or pain.

“ My sister Veria, my brother TheArtha and I attended school with Teresa at Armored. My daughter Stephanie and RheAnna Turner attended school with Bobbie's daughters. It's been awhile since I seen her and wanted to connect with her after finding out that she lived here. My son Alex worked with Franklin at ART in Gosnell for awhile and seeing Franklin made me want to connect with other Armored acquaintances that I hadn't seen in some time. Just want to say that I am sorry for the family's loss and pray God's peace and comfort for the Helms and Cannon family.

Rest in peace,

i see both grandma and aunt teena in a better place now. me and my grandma was really close and loved animals expecially dogs, i gave her one of my dogs puppies and she kept her safe and well protected. i never saw pain in my grandmas eyes at the time i needed to know, she always was a very strong and independent woman, she was my role model and so was my momma. i really need her to know i love her and i know ill see her another day when God calls me home. I take the time to realize that that beautiful woman was very important to me and i never wouldve thought she wouldve went so soon but i know she is well protected and will never ever ever have to go through pain. that day was gonna come and i thank God he sent her with him. i love u grandma
