

Mr. William Aubry Sandage

March 6, 1960 - February 27, 2020

William Aubry Sandage 59, died Thursday February 27, 2020 at Regional Medical Center in Memphis, Tennessee. William better known as Bill or Billy Bob was a man who in so many ways was larger than life, a man with a booming voice, a strong will and an enormous heart. He was a hard worker, a father and friend. Most of all, he was a man who appreciated the simpler things in life, and taught us to do the same.

Bill was a happy-go-lucky guy who would literally give someone the shirt off his back. He enjoyed scraping and loved a good find. He loved the outdoors, fishing in his favorite spot or picking up pecans. He was never one to sit still very long, and always had to be doing something.

He was preceded in death by parents Raymond (Pete) and Virginia (Fraze) Sandage and two brothers Randall Sandage and Randy Sandage.

Bill leaves behind the love of his life and best friend of over 25 years, wife Deborah (Shelton) Sandage of Blytheville, Arkansas; three daughters Cindy Sandage and Haylee Holbrooks both of Blytheville and April Holbrooks of Cabot; six wonderful grandchildren; sister Sandra Peterson of St. Louis, Missouri; brother Anthony Sandage of Warner Robins, GA; two half brothers Danny (Bethany) Chester and David Chester both of Louisville, KY; two half sisters Sherryll (Darrell) Hale and Melissa (Frankie) Schmidt both of Louisville,

KY; and many nieces, nephews and life long friends.

There will be a Memorial Service for Bill at a later date.
